Course Description

The IELTS Intensive Max-6 programme covers all the four sub-tests of the IELTS (Academic) examination: Listening, Reading, Writing and Speaking. It is restricted to students with at least intermediate level English, and is suitable for those taking IELTS for the first time, or who have already taken the IELTS examination and need to increase their score. Approximately equal class time is usually given to each sub-test and there is at least 1- 1.5 hours homework each day. Over the 4-week course you get practice in representative samples of the main Listening and Reading task types, a range of Writing Task 1 and Task 2 question types, and all sections of the Speaking test.

An advantage of the small group course is that there is plenty of opportunity to get feedback from your teacher on written work and speaking, and to develop reading and listening skills through targeted practice of specific question types.
