Skype Online English Courses

ONE TO ONE ENGLISH

Skype Online English Courses

Skype Online English Courses are 1-to-1 individual courses taken online with our professional, qualified native-speaker teachers to the same high standards as at our London school. Our teachers are experienced in professional one-to-one teaching techniques, including giving effective personalised feedback with detailed written notes each lesson.

- **High quality individual 1-1 English lessons** face-to-face via Skype
- **Native-speaker qualified teachers** based at our London centre
- **Successful one-to-one teaching methods** designed for fast results
- **Choose your lesson times** including evenings and weekends

Your course is managed by your **Personal Course Director** who works closely with your teacher. Your Personal Course Director contacts you regularly during your course to make sure that you are happy with your lessons and to give you feedback on how your English is improving.

- **Assessment interview** with Personal Course Director
- **Skills evaluation** including course programme advice
- **Custom-made course programme** for your personal goals
- **Regular check-up tutorials** with Personal Course Director
- **Course certificate** including level of achievement (CEFR scale)

Before you start, you will have a **full pre-course assessment** with your Personal Course Director to make sure that your lessons focus on exactly what you want to achieve and to create your personalised course programme.

Skype Online English Course Programmes

We can help you choose the course programme for your Skype Online 1-1 course which best suits you, including **General English**, **Professional English** and **Examination Preparation** courses.
